NURSING/MEDICAL INTERNSHIP

Location: Bellingham, WA

Duration: Summer 2025 (June–August)

Type: Internship (Housing & Meals Provided)

About Fircreek Day Camp:

Fircreek Day Camp is a Christ-centered summer camp dedicated to providing a safe, fun, and transformative experience for campers. Our team is committed to fostering spiritual growth, leadership development, and community.

Internship Overview:

The Nursing/Medical Internship at Fircreek Day Camp provides hands-on experience in camp healthcare, first aid, and emergency response. This role is ideal for nursing students or those pursuing a career in healthcare who are passionate about serving others in a dynamic, outdoor setting. Interns will work under the supervision of the Camp Nurse and gain valuable skills in patient care, triage, and health education.

Responsibilities:

- Assist in providing first aid and basic medical care to campers and staff.
- Administer medications and maintain accurate health records.
- Respond to minor injuries and illnesses, escalating care when necessary.
- Educate campers and staff on health and wellness practices.
- Support the health center's daily operations, including cleanliness and organization.

Qualifications:

- Enrolled in a nursing, pre-med, or related healthcare program.
- CPR and First Aid certification required (or willingness to obtain).
- Strong communication, problem-solving, and interpersonal skills.
- Ability to remain calm and efficient in high-pressure situations.
- Passion for working with children and serving in a ministry setting.

Benefits:

- Hands-on nursing and healthcare experience in a unique environment.
- Mentorship from experienced medical staff.
- Housing, meals, and a stipend provided.
- A summer filled with faith, fun, and professional growth.

How to Apply:

Submit your application, including references and relevant certifications, at fircreekdaycamp.org.
